PILATES RESISTANCE BANDS

The RESISTANCE BAND, also known as the FLEX-BAND, is a stretchy strip of latex that can add an element of light resistance to a pilates workout.

This tool is used in other fitness disciplines and rehabilitation techniques, but lends itself particularly well to pilates as it helps to:

Target the upper and lower body.

Work the core abdominals.

Improve flexibility.

Enhance joint mobility.

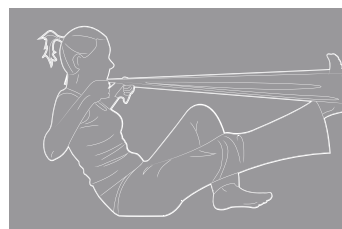

Focus the mind and body.

Sculpt a strong, streamlined physique.
